## FROG LANE: 900 HOMES DROP-IN EVENT

Edward Ware Homes have now announced details behind their speculative plan to build up to 900 homes off Frog Lane at the north-eastern edge of Coalpit Heath.

Focus Team members are firmly opposed to development on this land. It is part of the Green Belt which would remain protected by the draft South Glos Local Plan that has been submitted to the government to undergo examination in public.

This proposed development extends north-east from Coalpit Heath between Frog Lane and Woodside Road – where it would join a proposed development for another 450 homes on the land east of Roundways which we also oppose.

The Frog Lane development would include a new access off the A432.

### CONSULTATION EVENT

Edward Ware Homes are holding a drop in event for residents to learn about their plans at **The Miners on 12<sup>th</sup> February from 4pm to 7pm.**

Ward Councillors from your Focus Team will attend that meeting to discuss the proposals and to understand your concerns.

### HAVE YOUR SAY

Edward Ware Homes are also running a public consultation on their proposals from 9<sup>th</sup> February to 27<sup>th</sup> February.

Details of that consultation can be found at [www.landatfroglane.co.uk](http://www.landatfroglane.co.uk)

We would encourage ALL residents to visit the that consultation page and to have their say. We'd like to know your thoughts too.
